Oman traffic: Multi-story parking opened at Royal Hospital
Multi-story parking opened at #Oman Royal Hospital @OmaniMOH

Muscat: The new multi-story parking block at the Royal Hospital was opened today (Wednesday), the Ministry of Health (MOH) tweeted.

MOH, represented by the Directorate General of Projects and Engineering Affairs announced the beginning of construction in May 2016.

Times of Oman reported earlier this year that the first phase of the project includes five floors, with the first floor providing 150 parking spaces, along with some 350 additional parking spaces throughout the structure.

The parking structure includes two elevators, as well as entrances to the hospital that will be accessible to patients and visitors.
